

## SABLE BLEU BOUTIQUE HOTEL FACT SHEET

A new hotel concept arriving in Le Marin, second quarter of 2023.

Welcome to Sable Bleu Boutique Hotel, the first 4-star property to open in Le Marin, a picturesque town located on the southern Caribbean coast of Martinique, approximately 30 km from Aimé Césaire international airport.

Genuine urban oasis facing the sea, just steps from Le Marin's bustling marina, Sable Bleu Boutique hotel is an invitation to travel. Its modern refined design has been developed around a natural skylight that traverses the floors, from its iconic glass ceiling to its warm patio. The 16 comfortable and functional rooms are spread throughout three levels and available in three categories. Balcony facing the sea or with more of an intimate view, a discreet view overlooking the patio, or terrace access... Each room has its own distinctive features, ensuring to each guest a personalized experience.

### **A TRIPARTITE CONCEPT**

Sable Bleu Boutique Hotel combines :

#### **Connectivity**

At the cutting edge of today's technology, Sable Bleu Hotel will provide your customers with technical services to sublimate their experience:

- Connected flat-screen TV in the bedroom
- Room unlocking system using a mobile app accessible from the guest's smartphone
- An online concierge service

#### **Eco-responsible commitment: more than a vision, taking actions**

Various measures have been put in place with, for example:

- Installation in the room of a waste sorting system, allowing the guests to take part into this commitment.
- Installation of bath products dispensers (shower gel, shampoo) in the showers to reduce the use of plastics. These products as well as the other bath products, individually bottled, are from a brand committed to respecting the environment.

#### **A rich cultural journey**

A selection of artists from Martinique and elsewhere have created works for Sable Bleu Boutique Hotel in communion with the natural environment of the island and the origins of its people.

Sable Bleu Boutique Hotel is an invitation to embark on a cultural journey, through a bespoke collection of curated art pieces, transporting to a new place, telling a story, offering a discovery...

## **BAR AND ROOFTOP**

A versatile, warm and breathtaking space with its unique and infinite sea view, our rooftop will be the accomplice of moments of relaxation, around a drink, a small snack or a meal, in the lounge, bar or pool area.

It is also the favorite place for an informal meeting, with the possibility of reserving a lounge area. It can also host workshops or other special events.

The rooftop space is also available for rent on request, depending on the seasons and hotel occupancy.

## **MEALS AND BITES**

Breakfast is served every morning on the hotel's rooftop (reservation is required).

A gourmet and innovative menu, based on high quality fresh local produce is enhanced by the talents of local Chefs partnering with the hotel to bring a palette of culinary delights to the guests. Refined cuisine, embellished with tasty cocktails, and fresh fruit juices, will also be available. Menu selections are available on the rooftop area as well as in the room, through room service.

## **SWIMMING POOL**

A cozy space for relaxation, strategically placed on the rooftop, the lounge pool offers an unusual experience in Martinique.

A drink and snack service is also provided by the pool.

## **GYM: THE POWER IS WITHIN YOU!**

Installed on the ground floor, on the patio side, the gym has been designed with functionality and efficiency in mind. A fresh filtered water diffuser and towels will also be available.
